THE DUKE OF SPIFFELSHIRE IS VISIBLY ANNOYED AS HE READS A FEW OF THE COUNTLESS TELEGRAMS AND CABLEGRAMS OF CONGRATULATIONS THAT ARE POURING IN UPON HIM FROM ILLUSTRIOUS PEOPLE IN ALL PARTS OF THE WORLD!

ALL THIS PUBLICITY ABOUT MY TITLE GIVES ME A PAIN IN THE NECK! I CAN'T IMAGINE HOW THE NEWS LEAKED OUT!

FROM A NOBODY TO A NOBODY, BUT IT HASN'T SPOILED HIM! HE'S THE SAME MODEST, UNASSUMING COLONEL HOOPER!

JUST THINK, CASPER! WE'VE BEEN ASSOCIATING WITH ROYALTY AND DIDN'T KNOW IT!

NO WONDER I HAVEN'T HEARD FROM COLONEL HOOPER FOR TEN DAYS, TOOTS! MAYBE HE THINKS HE'S TOO GOOD TO PHONE ME NOW! HE MAY BE A DUKE, BUT THAT WON'T STOP HIM FROM CUTTING HIM COLD IF HE HIGHTHITS ME!

I'LL BET THERE'S SOME AWFUL SCANDAL CONNECTED WITH THAT TIME IN KENTUCKY!

IT MAKES ME FURIOUS HOW SOPHIE FAINTED ON THE WITNESS STAND AS SHE STARTED TO TELL THE DIRT ABOUT COLONEL HOOPER!

I HAD MY EARS WIDE OPEN, TOOT! I WAS TERRIBLY DISAPPOINTED!

WELL, HER LIFE, SOPHIE HOOPER HAS WISHED FOR A TITLE AND NOW SHE'S A DUCHESS!

SHE'S TOO STUBBORN TO SWALLOW HER PRIDE AND SEEK A RECONCILIATION WITH HER HUSBAND, AND YET, IF SHE DIVORCES HIM, SHE FORFEITS HER NEW TITLE!

WHAT A QUANDARY SHE IS IN! WHAT WILL SHE DO NOW?

## SENATE GETS RELIEF BILL

Administration Measure Would Provide Employment by Economic Projects.

By The Associated Press. WASHINGTON, June 4.—The administration's relief bill sponsored by Secretary M. M. of the treasury was introduced in the senate today by Senator Baughman, Republican of New Jersey.

The bill was similar to the one previously introduced in the house by Representative Haxley, Republican of Oregon.

Baughman said he presented the measure at the request of Secretary M. M. In many respects the new measure was similar to the Baughman relief bill introduced May 23.

The new bill would amend the Reconstruction Finance Corporation act to provide additional employment through the construction of economic projects.

The corporation would be authorized to make loans to states, municipalities, public agencies, such as port authorities or to private corporations for the financing of reconstruction or the replacement of antiquated equipment.

The projects must be designed under the terms of the bill to provide immediate employment for a substantial number of persons.

Party Rule Clamped Down on Democrats

By The Associated Press. WASHINGTON, June 4.—The Democratic party rule clamped down on independent action by clamping down on the party's control of all members of the party to vote for the huge Carter relief program.

It will be taken up Tuesday and probably passed in fairly short order on the strength of the Democratic majority despite Republican plans to fight it.

The Democrats were bound to the bill last night in party caucus by a majority vote obtained only by tremendous effort over spirited opposition of Chairman Byrnes of the appropriations committee and others.

It was the first time since before the World War that the party rule was imposed on a Democratic vote. Though Republicans have resorted to it often. The vote in the caucus was 123 to 18 but it is binding on all 119 Democrats. The Republicans have but 211 in the house now not enough to prevent passage of the bill but plenty to force abandonment of the original plan to put the bill through Monday virtually without debate under a rule requiring two-thirds majority for passage.

It is not expected that the bill as drawn will carry \$100,000,000 of outright donations for relief of destitution. \$1,000,000,000 expansion of the Reconstruction Finance Corporation's capital for productive construction loans and \$1,250,000,000 for an expanded federal public works plan will finally pass Congress.

The Republican managed senate and even its Democratic members have ideas somewhat closer to those of President Hoover, who wants a \$300,000,000 fund for relief loans to the states and a \$1,500,000,000 expansion of the Reconstruction Finance Corporation.
